Lege regionale 22/2018 (art. 10, comma 5, annualidade 2022)

**Ischedas didàticas, de colorare e cumpletare, pro faeddare de sa
regorta diferentiada e de su respetu de s'ambiente a sos
pitzinnos de iscola**

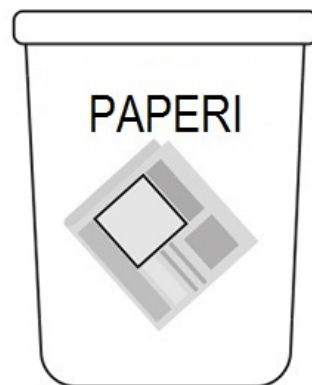

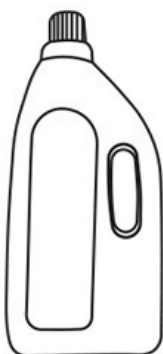

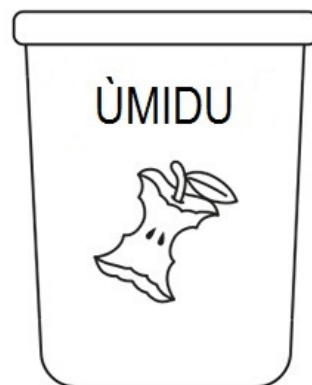

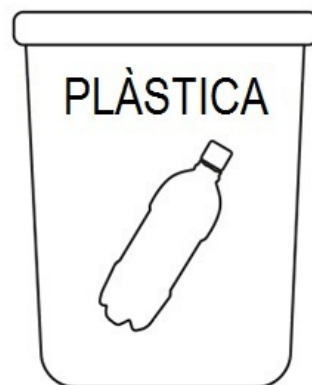

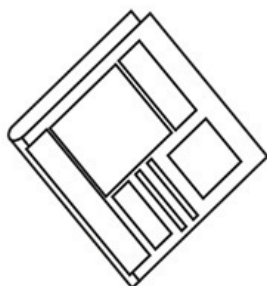

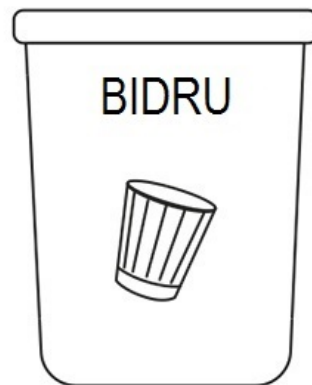

Colora in birde sas cosas de bidru, in colore de chelu sas cosas de plàstica, in grogu sas cosas de paperi e in colore de terra sas cosas de nche fulliare in s'ùmidu.

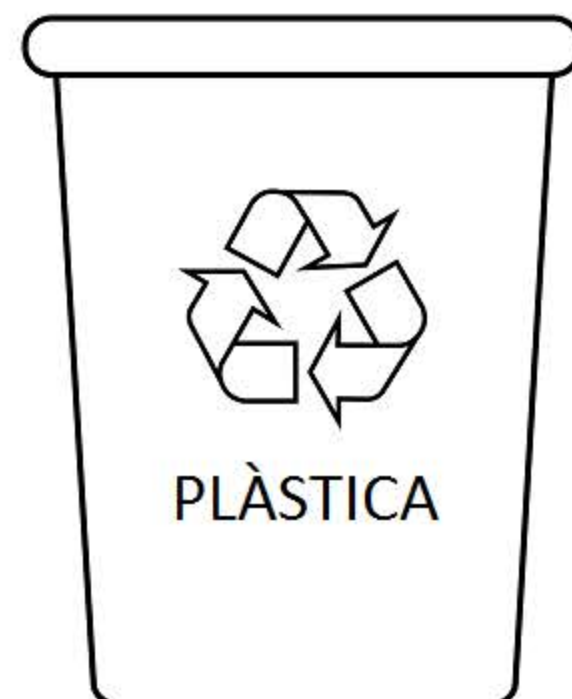

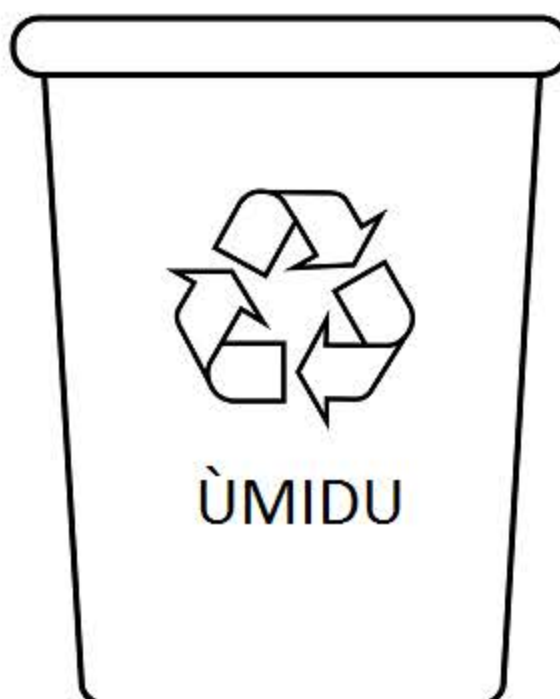

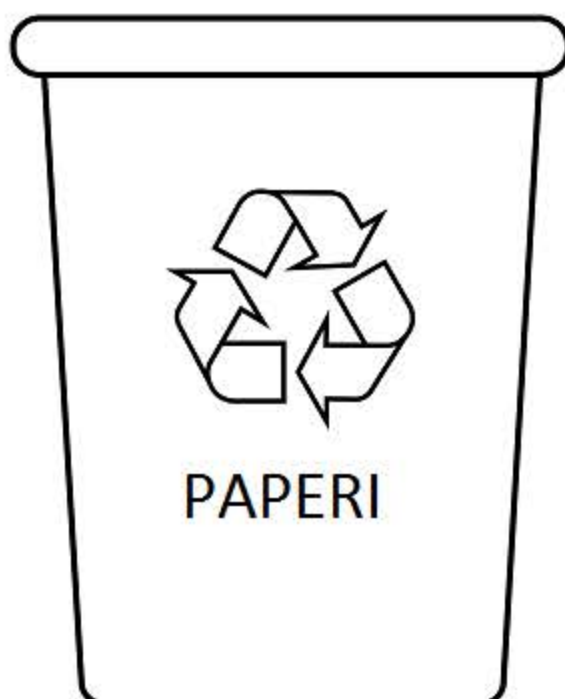

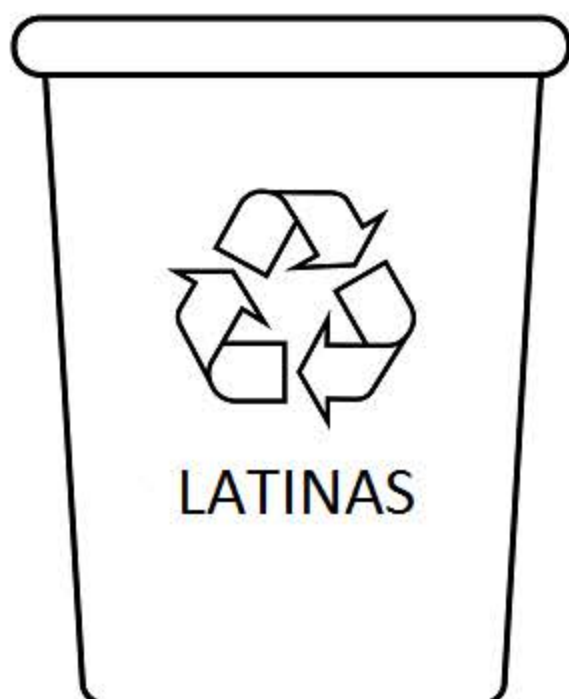

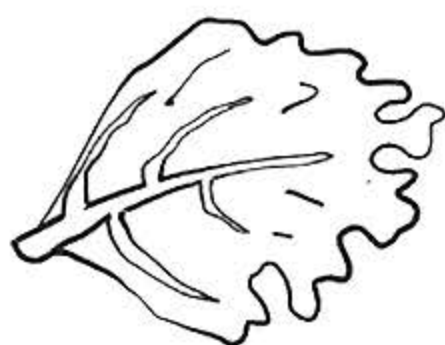

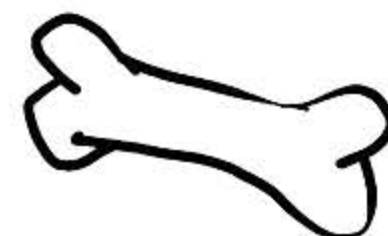

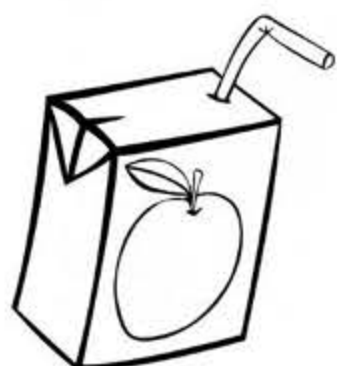

Su leoneddu, iscureddu, est in difficultade ca no ischit in ue nche fulliare sas cosas. Si lu cheres agiuare, pinta sos bidones: unu pro su bidru, unu pro su paperi, unu pro sa plàstica e unu pro s'ùmidu. A pustis collega ogni cosa a su bidone giustu e colora comente prus t'agradat.

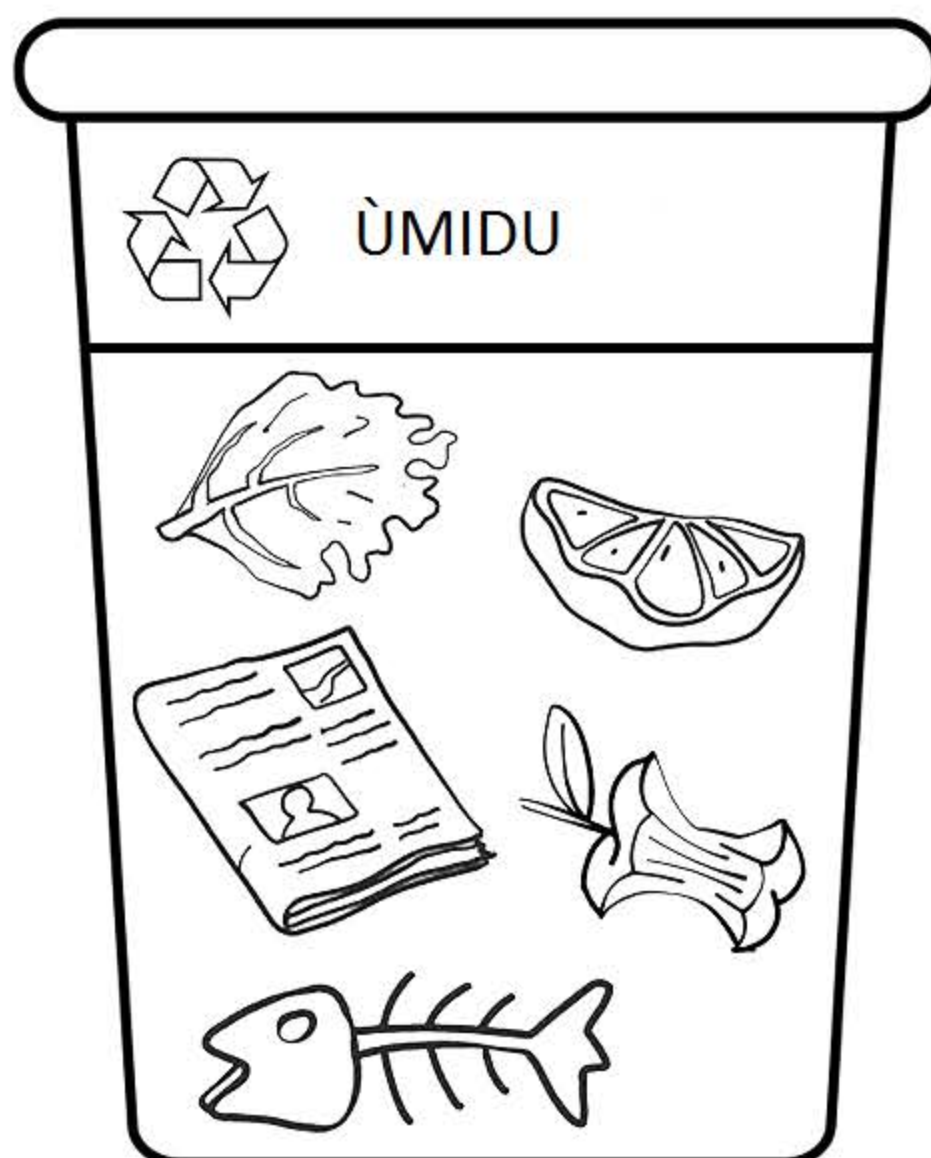

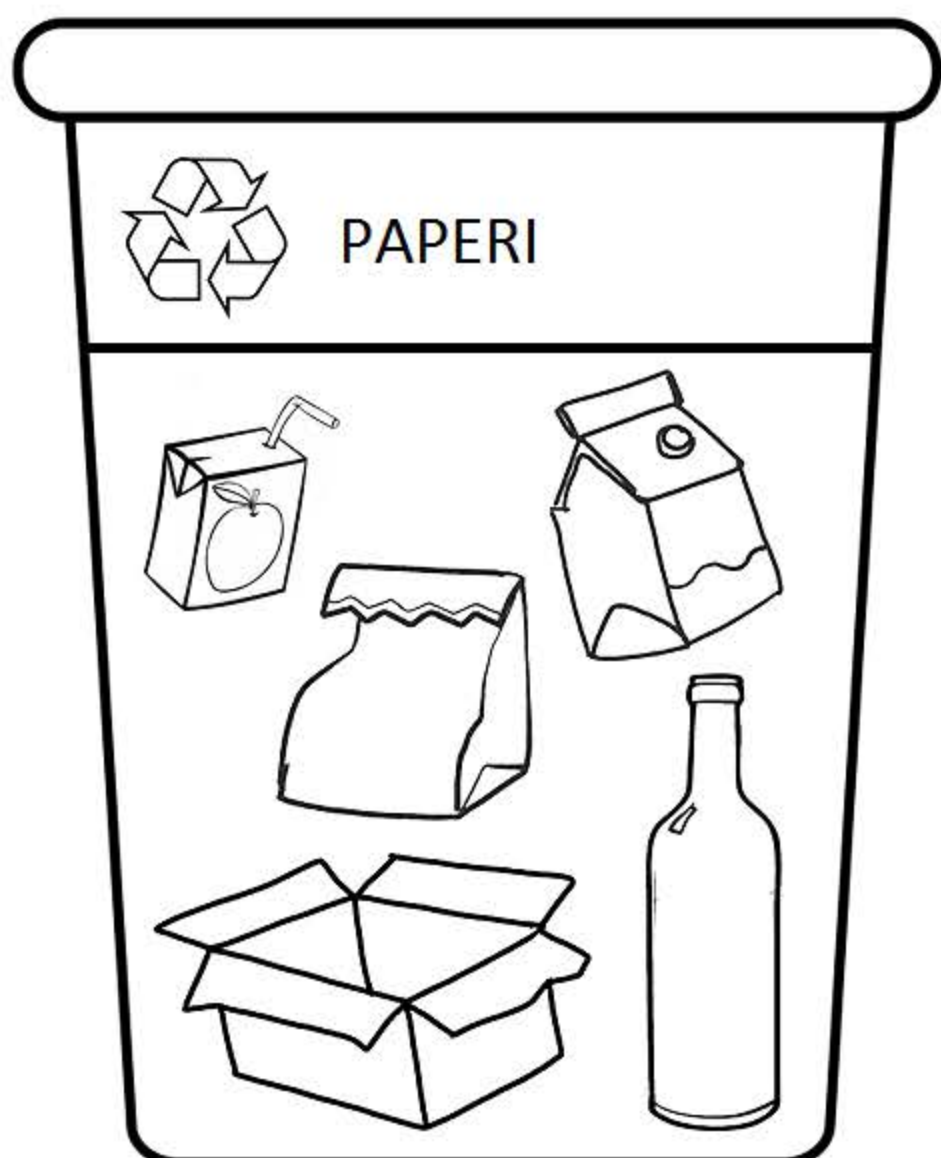

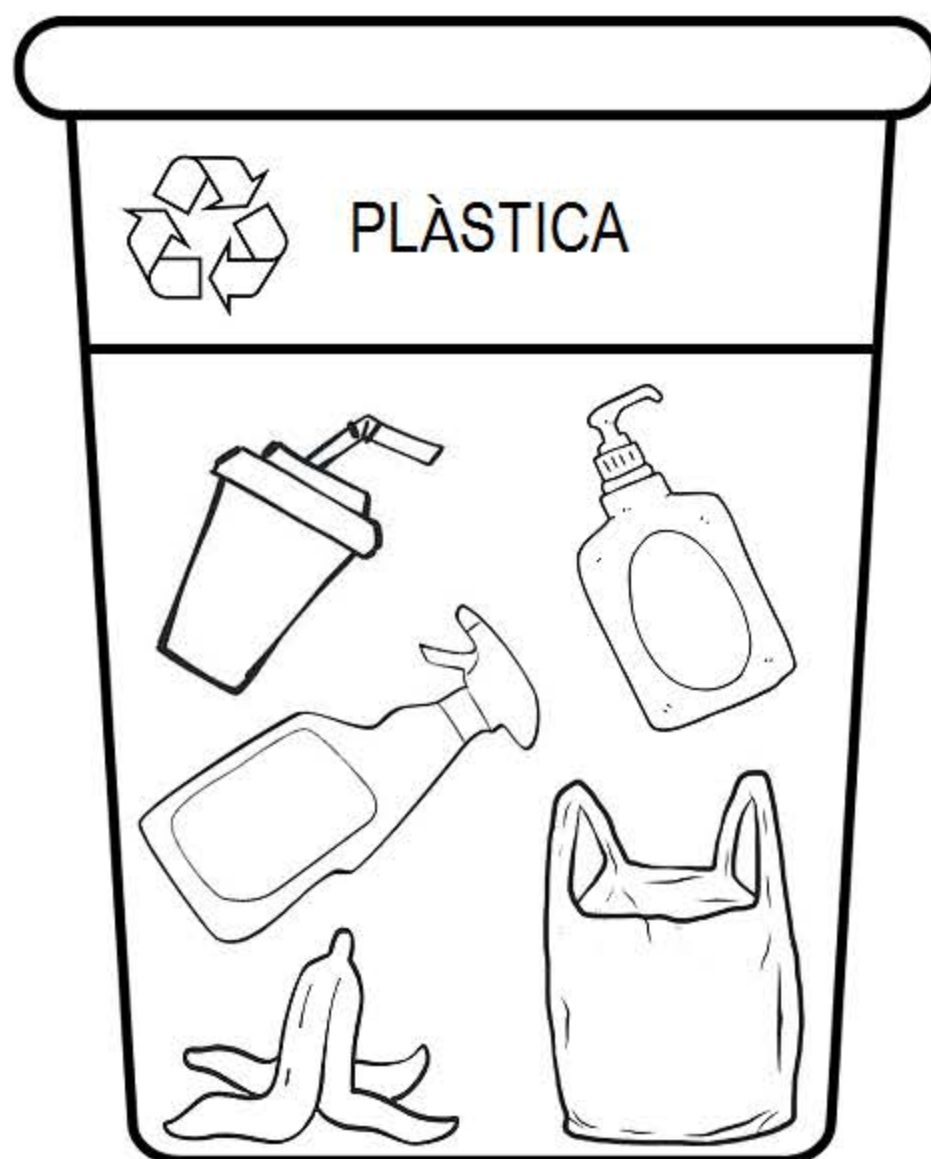

PONE ONNI COSA IN SU BIDONE GIUSTU
A PUSTIS PINTA CUN SOS COLORES CHI TI PRAGHENT

Collega, cun una fritza, onni cosa a su cunttenidore giustu.
Gasi tue puru as fatu sa parte tua pro respetare s'ambiente!

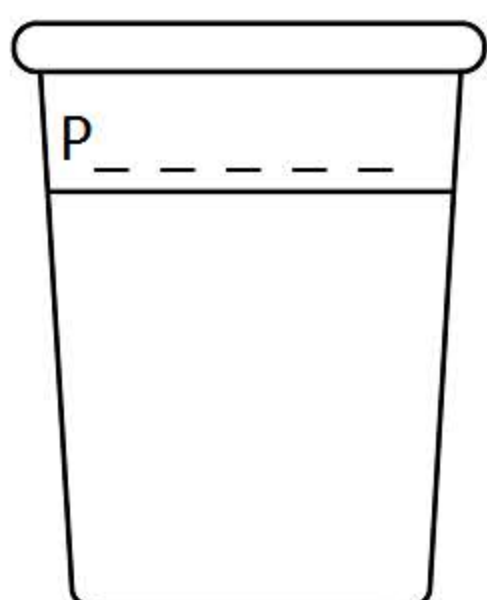

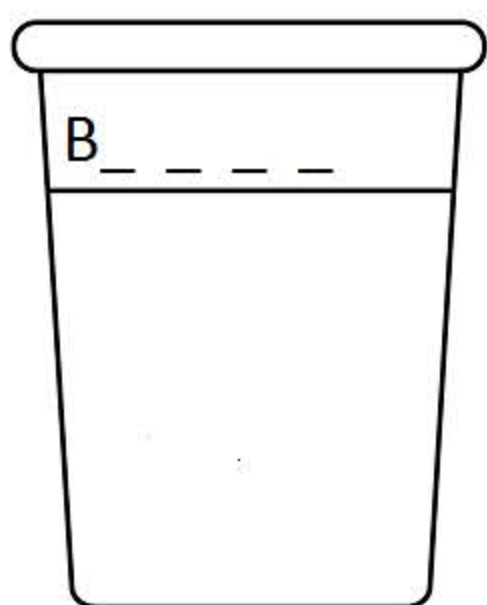

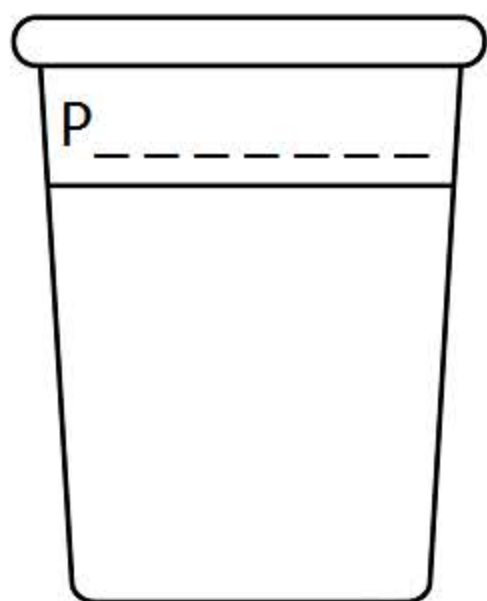

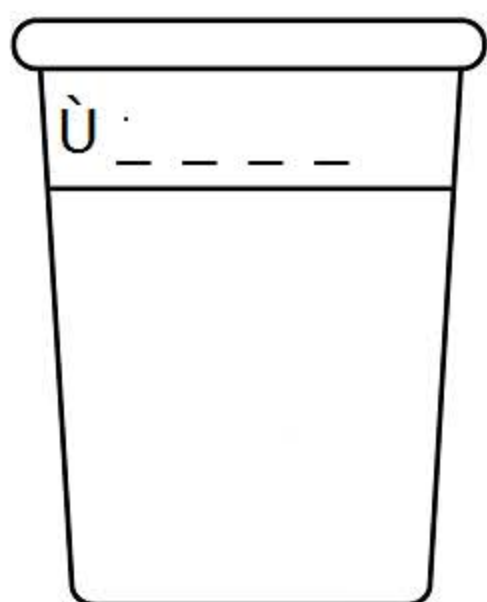

In ogni bidone b'at una cosa isballiada: sinna.la cun una **x** e a pustis, cun una fritza **ruja**, pone.la in su bidone giustu. In ùrtimu colora totu sas cosas e fintzas sos bidones cun sos colores chi ti praghent.

Ite si nche fùlliati in ogni bidone?

Cumpleta sas paràulas e collega ogni tipu de alga a su bidone giustu. A pustis colora comente cheres.

Faghe tue puru comente custa pitzinna: non nche fùllies nudda in terra, respeta s'ambiente!

Lassamus su logu netu in totue! Imparamus
dae custu pitzinnu!

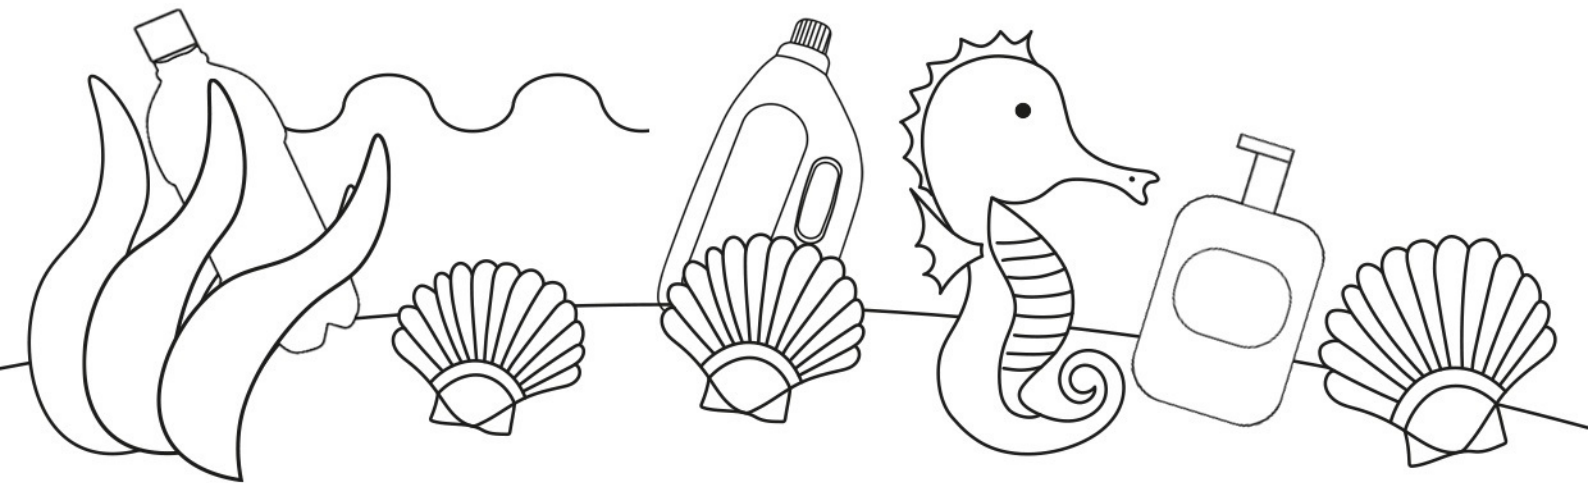

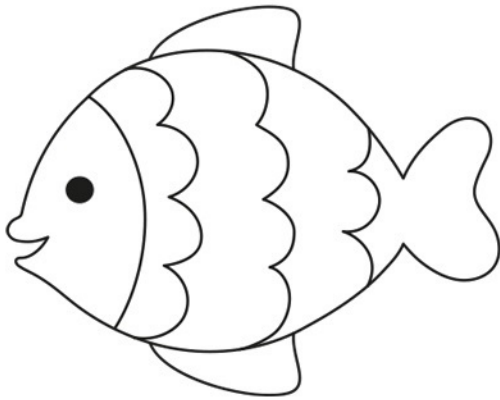

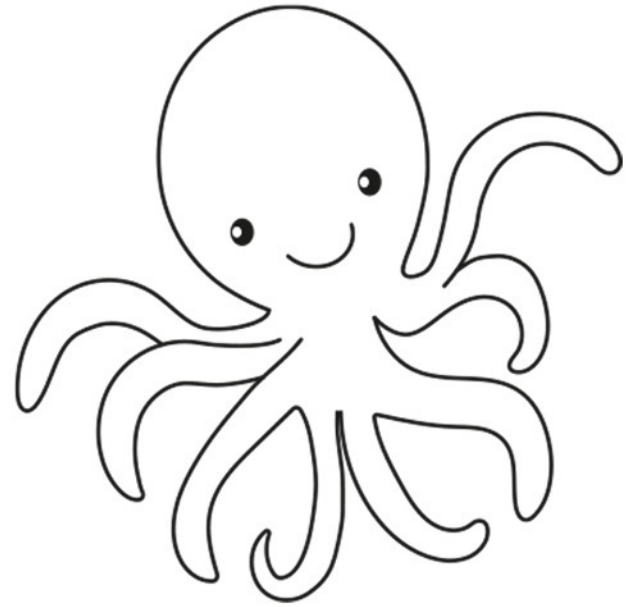

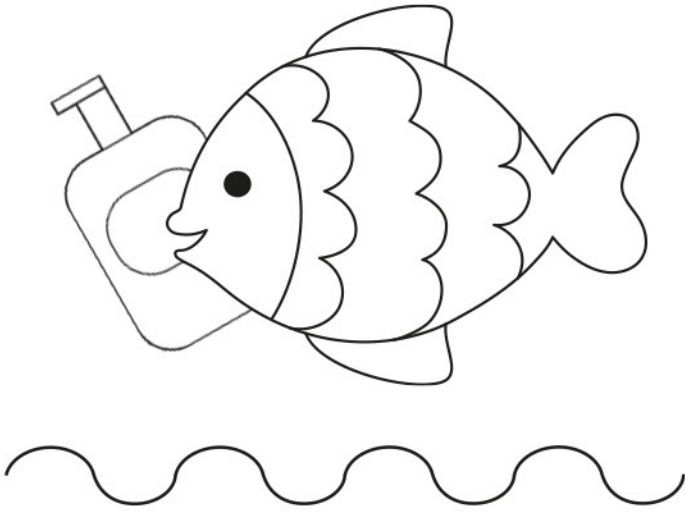

Sa salude de sa terra est sa salude de s'umanidade.

Faghimus a manera de no imbrutare su logu.

Colora custu disignu comente t'agradat

INNETIAMUS SU MARE

Cantzella cun una **X** totu sas cosas de plàstica chi agatas in fundu de mare e a pustis colora. Sos pisches ant a èssere cuntentos meda!

ISTIMO SA TERRA E LA TÈNGIO CONTU!

Colora cun sos colores chi t'agradant de prus.

Agiua a custu pitzinnu a regòllere totu sas cosas de nche
fulliare in su cestinu sinnende su percursu in ruju

Terra de ammirare
Terra de rispettare
Terra de istimare

Colora cun colores allegros

Maria Giovanna Serchisu - Annu 2023

Sos logos de mare sunt bellos meda e totus
nos depimus impignare a los respetare e a
los lassare netos.

Colora comente prus l'agradat

Rispetamus semper
s'ambiente. Faghe tue
puru sa parte tua!

Maria Giovanna Serchisu - Annu 2023

In cale de custos duos logos ti diat pràghere de bìvere?

Colora e impara a respetare s'ambiente.

M.Giovanna Serchisu - Annu 2023

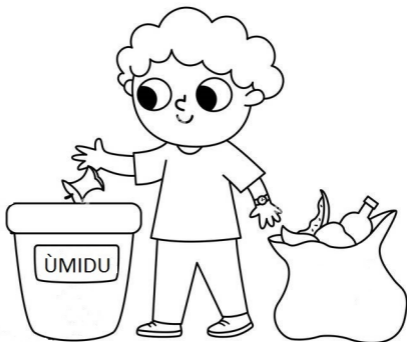

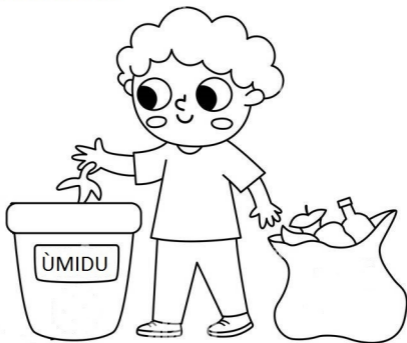

Cale est prus bellu e pro ite? Colora totu.

Ite diferèntzias agatas in custos duos logos? Cale est prus bellu?

In custos duos designos b'at 5 diferèntzias: cando las agatas, sinna.las cun
una **X** e a pustis colora totu.

Non si nche fùlliati nudda in terra!
Ammenta e impara!

Rispeta sa terra

Pitzinnu caru firma.ti a osservare
sos montes, sos rios, su chelu e su
mare,
sos frores e sas prantas, bellea e
richesa,
chi ti prenant s'ògli e fintzas sa mesa.
Ma intendes su lamentu de sa terra?
Est tropu ferida, comente in sa ghera.
Fogos mannos, velenos e incuinamentu
onni die li dant su turmentu.
Iscurta custa pregadoria
ca sa terra est sa tua e sa mia.
Tene-la contu cun passèntzia
e non li fetas àtera violèntzia.
Rispeta-la e istima-la onni die
e issa si nde cuntentat rie-rie.

Leghe sa poesia e, si cheres, iscrie carchi paràula bella pro sa terra.
A pustis colora.

Pinta àteras cosas de nche fulliare e pone.las in intro de sos cuntidores giustos culleghende.las cun sas fritzas. A pustis iscrie in ogni bidone su chi cuntenet (Es. bidru, ùmidu, etc.) e colora totu.
